Shelling is a favorite pastime of residents and tourists of Southwest Florida. ## If It's Fun and on the Water... We Do It!

Take a walk on the wild side, in the footsteps of famous Florida landscape photographer Clyde Butcher, and tour the Everglades by foot in the adventurous "swamp walk"; or enjoy the calm backwaters of Keewaydin Island and Rookery Bay with your own naturalist on a private charter.

# Pure Naples

Founded in 2009 by Captains Lance and Harry Julian, a father and son team, Pure Naples summarizes five generations of maritime connections. The local marine attraction center, Pure Naples, offers an array of family fun and thrills from Jet Ski rentals and guided tours to exciting rides on Jet Boat ODIN and backwater fishing trips. The company owns and operates the legendary vessels M/V DOUBLE SUNSHINE and M/V NAPLES EXPLORER for sightseeing, shelling, dolphin watching, sunset cruises and more. They also include in their fleet the M/V LADY BRETT, M/V KUDU and M/V KUDU II for private and head boat deep sea, calm bay, back bay and sunset fishing trips. For all the reasons we love Southwest Florida, Pure Naples will ensure you experience them.

For the serious fisherman, the M/V KUDU and the M/V KUDU II are ideal; providing speed and comfort for less time traveling and more time fishing in the Gulf, on the bay, near coastal and offshore waters. With onboard facilities for your comfort, these vessels offer the opportunity to bring in a bounty of fish with ease including Snook, Hogfish, Grunts, Cobia, Grouper, Kings, Mackerel, Shark, Sheephead and Trigger Fish.

Fish the back country mangroves and estuaries for Snook, Redfish, Trout, Snapper, Tarpon and other salt water species aboard flats boats. The “flats skiffs” have specialized backwater capabilities allowing them to venture into very shallow waters. Fly-fishing is available along with live bait, plug and spin fishing.

The M/V NAPLES EXPLORER is a purpose-built catamaran that allows for shallow drifting close to the mangroves – where the big one is lurking. It’s ideal for the larger family and kids groups with a sun shelter, seating and bathroom facilities for your comfort. Board this diverse vessel for backwater, near-coastal, or a sunset fishing trip.

Delight in deep sea fishing trips aboard the M/V LADY BRETT with top-of-the-line equipment and full service fishing for large groups and private parties up to 20 passengers - take out the whole fleet with a Corporate Fishing Challenge.

## Everglades Island Airboat Tours

Loren G. "Totch" Brown, a lifetime native of the Florida Everglades, was known for many achievements in his life, but maybe best known as a hunter, fisherman, singer, author, song writer and actor. Now, fourth and fifth generations of Totch's own family take small and large groups to explore the untamed Everglades and experience the deep rooted history of the Ten Thousand Islands, the way it should be experienced. Guided through mangrove jungles and the natural wonder of the Everglades, the narrated, educational excursions takes you back in time for an unforgettable adventure full of alligators, manatees, birds and other wildlife in their natural habitat.
