PURE FORT MYERS PARTNERS WITH CAPE CORAL PARKS AND RECREATION TO OFFER MARINE SCIENCE FIELD TRIPS THIS SUMMER 2015

FORT MYERS, Fla. – May 27, 2015 – Parents and children looking to explore the world of marine biology now have a unique opportunity through a hands-on, marine science cruise that offers an engaging experience in a natural setting. Pure Fort Myers will offer marine science field trips for children in first through seventh grade. Adventuring out to the Caloosahatchee, students will work in groups, testing water quality and participating in other activities. The program encourages teamwork, critical thinking, problem solving and creativity.

Trips will depart from Four Freedoms Park at Bimini Basin and take place on June 16 and 25, July 13 and 19, and August 11 and 19. Children must be accompanied by an adult. Cost for adults and children are \$15 per person for residents and \$23 for non-residents.

The partnership with Cape Coral Parks and Recreation is the first relationship of Pure Florida's newest venture, Pure Education. Pure Education will bring residents and visitors closer to Southwest Florida's ecology and wildlife through educational experiences. "We are ideally situated to educate the public on Southwest Florida's greatest asset – water and the maritime environment," said Harry Julian, owner of the Pure Florida Group. "Through these marine science cruises, we will introduce tomorrow's generation to our ecosystem and the challenges it faces today."

Parents can contact Four Freedom Park at (239) 574-0804 or visit CapeParks.com to make a reservation. For more information on Pure Fort Myers and its cruises, please visit PureFortMyers.com.
